

The Volunteer Card is an internationally recognized travel insurance and identification card available exclusively for volunteers.

Volunteer travel

As the world becomes increasingly connected, responsible global citizenship looks different than before. Technology puts suffering and hardships on our screens and in our pockets. Excuses no longer valid.

In a world ripe with needs, we believe in the power of volunteers - regular people dedicating their time, resources, and skills for a cause. And we are not alone. There are over a million annual volunteer travelers in the U.S., and the number is growing.

We want to reward you for your service. Volunteer travel should be as easy, safe, and inexpensive as possible so that more volunteers can do more good.

We want to help. Let us.

Multi-Trip Travel Insurance

The primary benefit of the Volunteer Card is multi-trip travel insurance. Traveling abroad to volunteer can be expensive and dangerous; we want to make the trip as safe and worry-free as possible. Our travel insurance is underwritten by Travel Guard, the premier travel insurance company in the U.S. with over 25 years of experience and 6 million travelers every year. Members can choose from one of six different plans to best suit their needs. There is no deductible and prices do not increase with participant age.

“

I've used the online order form multiple times, and it's worked quite efficiently.

THEY WERE PHENOMENAL!! I They stayed in contact with Hospital Langkawi the entire time that I was in the hospital and were in communication with the doctors. Also, they paid to upgrade both Aly and I to business class on our return trip. When I returned I had several emails and a phone call asking how I was and making sure that we made it back. I highly recommend them!!

I think that [Volunteer Card] is doing a really good job - good enough that I renewed my membership this year.

I had to use the insurance when I had a delay in Syria and they were great to work with. One of my teammates lost her luggage on the way there and the folks were very helpful in getting her baggage and paying for her to get some clothes.
